## *Angelo Gaja*

*We are pleased to offer this selection of wines from Italy's most renowned producer of high quality, estate-bottled wines from Piedmont. Angelo Gaja has transcended traditional, rustic Italian winemaking by making modern wines while preserving their unique Italian character. Gaja's Barbarescos are consistently among the top rated wines in the world, particularly the single vineyard Sori San Lorenzo, Costa Russi and Sori Tilden wines. We hope you will take advantage of enjoying any of these wonderful wines as a perfect compliment to Villa Nova's cuisine. "...these wines are works of art."-Robert Parker, The Wine Advocate*
